The Attorney General

All Cabinet Secretaries

All Governors

All Principal Secretaries/Accounting Officers
(With sufficient copies for CEO's of State Corporations)

DEBT OWED TO STATE CORPORATIONS AND SAGAS

It has come to the attention of Government that there exists a proliferation of mutual-indebtedness between Government Ministries, Departments and Agencies and that efforts to knock off debts against each other have not borne fruit.

Due to those unsustainable debts, some Agencies have been rendered ineffective and some almost completely crippled.

It has therefore been decided that all Ministries, Departments and Agencies submit to this Office a list of their Government debtors citing the debt holder, the amount outstanding and the age of the debt. The information should reach this Office on or before 12th June, 2020.

This report must be under the hand of either the Principal Secretary or the CEO of the respective State Corporation.
