COMMUNICATION TO THE GENERAL PUBLIC

The Government in a bid to remain transparent in the goings-on of the nation created the Office of the Government Spokesperson which is mandated with dissemination of Government information. It is important that every Government institution gives utmost support to the Government Spokesperson by giving relevant information to enable the Officer to respond appropriately to the concerns of members of the public. This will create transparency and rout propaganda and rumour mongering that can cause unrest in the Nation.

JOSEPH K. KINYUA, EGH
